The Court denies without prejudice plaintiffs' motion to enforce the parties' oral settlement (DE #55), as any such motion should be addressed to the District Court in the first instance. Rather than litigate the issue, the Court encourages the parties to attempt to resurrect the settlement, noting that the Court's settlement proposal did not include any payment schedule and that defendants were afforded sufficient time to ascertain whether they could obtain a home equity loan

sufficient to fund the entire settlement.
The parties are directed to confer and,
by June 6, 2019, to file a joint status
report.
